Any such request must be submitted in writing to our Privacy Officer. We are not required to agree to your request. If we do agree, we will put it in writing and will abide by the agreement except when you require emergency treatment. Notwithstanding the foregoing, we must agree to a restriction on the use or disclosure of your PHI if: (i) the disclosure is for our payment or health care operations purposes and is not otherwise required by law and (ii) you or another person acting on your behalf has paid for our services in full.

B. The Right to Choose How We Communicate With You. You have the right to ask that we send information to you at a specific address (for example, at work rather than at home) or in a specific manner (for example, by e-mail rather than by regular mail, or never by telephone). We must agree to your request as long as it would not be disruptive to our operations to do so. You must make any such request in writing, addressed to our Privacy Officer.

C. The Right to See and Copy Your PHI. Except for limited circumstances, you may look at and copy your PHI if you ask in writing to do so. Any such request must be addressed to our Patient Billing Service Center, which will respond to your request within 10 days (or 30 days if the extra time is needed). In certain situations we may deny your request, but if we do, we will tell you in writing of the reasons for the denial and explain your rights with regard to having the denial reviewed. If we keep your information in an electronic format, you may request that we provide it to you in that format and we will do so if it would be feasible.

D. The Right to Correct or Update Your PHI. If you believe that the PHI we have about you is incomplete or incorrect, you may ask us to amend it. Any such request must be made in writing and must be addressed to our Patient Billing Service Center, and must tell us why you think the amendment is appropriate. We will not process your request if it is not in writing or does not tell us why you think the amendment is appropriate. We will act on your request within 30 days or less if state law requires (or 60 days if the extra time is needed), and will inform you in writing as to whether the amendment will be made or denied. If we agree to make the amendment, we will ask you who else you would like us to notify of the amendment.

We may deny your request if you ask us to amend information that:

- (1) was not created by us, unless the person who created the information is no longer available to make the amendment;
- (2) is not part of the PHI we keep about you;
- (3) is not part of the PHI that you would be allowed to see or copy; or
- (4) is determined by us to be accurate and complete.

If we deny the requested amendment, we will tell you in writing how to submit a statement of disagreement or complaint, or to request inclusion of your original amendment request in your PHI.

E. The Right to Get a List of the Disclosures We Have Made. You have the right to get a list of instances in which we have disclosed your PHI.
